The Rufus Centre has installed a top of the range in-house speaker system. All amplified equipment must be directed through this system and frequency specific Symetrix Prism process-limiter. No visiting loudspeakers or amplification equipment is permitted within the function space.

All Bands and DJs must connect their mixer to the speaker system using XLR cables and Bands are to please make use of our high spec digital drum equipment.

If you have any questions about these procedures, please ring The Rufus Centre on 01525 631905
